COMMITTEES ANNOUNCED - - - -

WILL PROVIDE EDITOR WITH REPORTS OFTEN

Anyone who doubts that APCO President Herbert F. Wareing is tearing right into his job with both front and hind feet should see the volume of correspondence that has been arriving at Jefferson City alone since the Kansas City convention. Now we know what the term "human dynamo" means!

Every one of the 1940 committee chairmen has been requested by President Wareing to provide the Bulletin Editor with a monthly report on committee activity and progress. To paraphrase an old song—"Say, Wouldn't It Be Wonderful"—if they do it!

First reports we hope will be a clear statement as to the exact function of each committee. We wonder if there is anybody in the "corporation" who knows the function of all of them.

Here are the 1940 committee assignments. The term of office for each man, including 1940, is given after each name.

Executive Committee

Herbert F. Wareing, Milwaukee, Wisc., Chairman, one year; Frank W. Morrow, Indianapolis, Ind., one year; J. M. Wherritt, Jefferson City, Mo., two years; E. F. Brown, Des Moines, Ia., two years; T. M. B. Lowe, Springfield, Ill., two years; R. L. Batts, Indianapolis, Ind., one year.

The personnel of this committee is not yet complete. These men were chosen for their unquestionable interest and activity in the affairs of the association, and their ability to meet together if it becomes necesary.

Frequency Allocations Committee

Robert L. Batts, Indianapolis, Ind., Chairman, two years; R. E. Franklin, Houston, Tex., two years; E. F. Brown, Des Moines, Ia., two years; E. C. Denstaedt, Detroit, Mich., one year; M. B. O'Neil, New Orleans, La., one year; A. A. Curry, Indianapolis, Ind., one year; T. M. B. Lowe, Springfield, Ill., three years; C. M. Smith, Jr., Raleigh, N. C., three years; Fred Schnell, Chicago, Ill., three years.

This committee is composed of capable and active men who, under the leadership of Inspector Batts, should be able to accomplish at least some of the difficult tasks which lie before them.

Engineering Reports and Research Committee

A. A. Curry, Indianapolis, Ind., Chairman, two years; V. O. Lehman, Springfield, Ill., two years; G. M. Kinsey, Columbus, Ohio, two years; R. L. Batts, Indianapolis, Ind., one year; M. A. Wilt, Kansas City, Kans., one year; E. C. Denstaedt, Detroit, Mich., one year; C. M. Smith, Jr., Raleigh, N. C., three years; H. M. Williams, Denver, Colo., three years.

Development and Activity Committee

G. M. Searle, Troy, N. Y., Chairman, two years; M. W. Joyce, Boston, Mass., two years; A. T. Conner, Baltimore, Md., two years; Wm. Bouck, East Lansing, Mich., one year; F. W. Morrow, Indianapolis, Ind., one year; J. M. Wherritt, Jefferson City, Mo., one year; G. S. Morris, New York, N. Y., three years; Roy DeShaffon, Kansas City, Mo., three years; A. G. Sayre, Janesville, Wis., three years.

This well balanced committee, representing, as it does, states, large cities, and county sheriffs' departments, will enjoy its work under the leadership of George Searle. APCO is expecting plenty of developments and activities in 1940.

Intercity Relations Committee

R. L. Batts, Indianapolis, Ind., chairman, two years; M. B. O'Neil, New Orleans, La., two years; H. O. Kelly, Minneapolis, Minn., two years; LaVerne Halbert, Winnetka, Ill., one year; R. H. Mitchell, Wichita, Kans., one year; L. Geno, Buffalo, N. Y., one year; E. N. Shinn, Louisvile, Ky., three years; C. B. McMurphy, Oakland, Calif., three years.

State System Standards Committee

T. M. B. Lowe, Springfield, Ill., chairman, two years; J. M. Wherritt, Jefferson City, Mo., two years; E. F. Brown, Des Moines, Ia., two years; F. W. Morrow, Indianapolis, Ind., one year; G. M. Kinsey, Columbus, Ohio, one year; C. J. Scavarda, East Lansing, Mich., one year.

No additional appointments have been made to this committee to date. Captain Wherritt requested he be relieved of the duty as chairman of this committee, and has been replaced in this position by Lowe.

Operating Procedure Committee

J. W. Bryant, Jefferson City, Mo., chairman, two years; L. Geno, Buffalo, N. Y., two years; M. W. Joyce, Boston, Mass., two years; Wm. Bouck, East Lansing, Mich., one year; M. B. O'neil, New Orleans, La., one year; L. R. Tipton, Oklahoma City, Okla., one year; C. L. Hopper, Springfield, Ill., three years; K. Conroy, Detroit, Mich., three years.

Convention Committee

James Virden, Orlando, Fla., chairman, one year.

From the way Virden has gone after things so far, the success of the 1940 convention is already assured. List of committee members is shown elsewhere in the Bulletin.

Resolutions Committee

W. E. Taylor, Baltimore, Md., chairman, two years; H. F. Wareing, Milwaukee, Wis., two years; H. O. Kelly, Minneapolis, Minn., two years; G. M. Kinsey, Columbus, Ohio, one year; T. M. B. Lowe, Springfield, Ill., one year; R. E. McConnell, Evansville, Ind., three years.

Special Committee on Chapter Promotion

E. C. Zindars, Elkhorn, Wis., chairman; D. C. Bailey, Tampa, Fla.; E. Maeshner, Berkeley, Calif.; A. A. Kirchner, Grand Rapids, Mich.; Ralph Hicks, Tulsa, Okla.; James Teeter, St. Louis, Mo.; C. H. Knudel, Toledo, Ohio; L. A. Raub, Erie, Pa.; K. Hedrick, Topeka, Kans.

Under the leadership of Elmer Zindars, Secretary of the Wisconsin Chapter, this group has set itself the job of at least tripling the membership of APCO before the 1940 convention opens. And I think they will do it—and better. Watch the Secretary's report on membership dues paid in the Bulletin every month. All of the members of this committee have been appointed for one year terms.

Special Committee on Revision of the Constitution

R. E. Lathrop, Waukesha, Wis., chairman; W. K. Norton, Des Moines, Ia.; R. Schuler, Fresno, Calif.; W. N. Scott, Columbus, Ga.; G. M. Searle, Troy, N. Y.; J. Southwell, Beaumont, Texas; J. E. Murnane, Trenton, N. J.; A. O. Seitz, Saginaw, Mich.; P. E. Watson, Wellington, Kans.

The members of this special committee were all appointed for a term of one year. R. E. Lathrop, the chairman of this group, who is treasurer of the Wisconsin Chapter, did much of the work on the Wisconsin Chapter constitution, so is broken in for the job. The constitution is inadequate in many respects and has been amended at every convention, so needs overhauling.

There are still a number of committee appointments to be made. The President would like to hear from anyone having any ideas on the work of any committee, or who feels that he could handle a committee assignment.
